

# FOCUS V

## IDEAL FOR BULK

The FOCUS V freezer has an elegant, yet robust, design to optimally catch the attention of your customers. The lid design, the improved insulation and the heated frame ensure minimum ice build-up.

Cyclopentane is used as blowing agent and the cabinets are CFC free.

## FEATURES

- HC refrigerants as standard
- Environmentally friendly
- Low service costs
- Perfect view to the products
- Long life
- Available in all climate classes
- Minimum icebuild-up
- Designed for transport
- Eye Catching design
- 75 mm insulation
- Also available as combination of cooler and freezer- see page 51.
- Accessories including baskets - see page 62
- Graphics (option)
- LED internal light (option)
